

# AUTO DISH

AUTO DISHWASH LIQUID FOR ALL AREAS

## DESCRIPTION

Auto Dish is a commercial grade high alkaline dish washing detergent for use in industrial washing machines, specially designed for maximum results in hard water conditions. With added sequestrants, it is suitable for all water conditions and will not cause any excess scale build up.

## DIRECTIONS

To be used through a suitable detergent feeder at 2.5 – 3.0 mls per litre dosing into fresh water as supplied to the dishwasher.

Do not mix with any other chemical. Store in a cool area away from direct sunlight.

## SAFETY

**DANGER:** Causes severe skin burns and eye damage. May be corrosive to metals.

**PREVENTION:** Do not breathe mists. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product.

**RESPONSE: IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. **IF ON SKIN (or hair):** Remove immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTRE or doctor.

**STORAGE & DISPOSAL:** Store locked up, in a corrosion resistant container, in accordance with local regulatory requirements. Dispose of contents/container in accordance with local regulations. Intended for industrial and commercial use only. For further information refer to the SDS. In emergencies call 000.

**EMERGENCY TELEPHONE:** POISONS CENTRE
